Petition to recall Alex Aleksey Plotkin from the office of director of the Green Mountain Water and Sanitation District.

General statement of the grounds on which a recall is sought: *Director Plotkin has breached his oath of office by placing the District at grave financial risk. He has compromised the District's ability to defend itself in multi-million dollar litigation by engaging in unethical behavior that demonstrates a lack of good faith. He has violated his obligation to preserve and maintain the public trust. He has allowed himself to be unduly influenced by non-District agents regarding crucial matters affecting the financial well-being of the District and has actively destroyed the transparency of the Green Mountain Water and Sanitation Board of Directors.
